Woolwich Declares a Significant Weather Event

Woolwich, ON – A Significant Weather Event is in effect for the Township of Woolwich and will remain in effect until notice of cancellation has been issued.

The Township wishes to note that the declaration of a significant weather event is not notice of a reduced level of service or a road closure. The declaration is to notify the public that due to the current or forecasted conditions, caution is to be observed when travelling on Township roads and that it may take longer than usual to bring the condition of the roads back to a state of repair.
